

Take Furry Good Care of Your Teeth!

Dear special smiling Earthie friend,

Wow! I'm writing this letter to tell you how great it is when I see you take good care of your teeth. It's so important to keep your glowing smile healthy!

To do something really well takes practice. All the fairies had to practice healthy tooth care habits, and you can grow to be good at healthy tooth care too! I also love it when you practice brushing for two minutes and brushing 2 times a day. We made a special brushing chart for you to download and print. Try it out!

You're going to be so good at that as you practice even more! The Furies are always practicing their Helper Magic so they can help Earthies to build the habits that help them grow and Glow. Snowette Poodle came to Dr. Glowsmile and said, "Triana told us we need to learn Helper Magic for tooth brushing. I might need to help an Earthie friend who forgets to brush!" With the wave of a magic toothbrush, Snowette earned her Helper Magic badge for tooth brushing!

With furry-rific wishes and love to you,

Triana
